

Corporate Profile

SINCE 1931

SURETY & INSURANCE CORP.

OUR STORY

Visayan Surety & Insurance Corporation derives its heritage of resiliency, stability, financial strength and security from its founders: a core group of young and enterprising business leaders led by Manuel Gotianuy (the richest and most influential member of the Chinese Community in the Southern part of the Philippines whose family enterprise engaged in Rice Trading, Commodity Import and Export, Inter-island Shipping and Insurance Underwriting), Jose Leyson (former Governor of Cebu), Lim Bonfing and 7 others who pooled their resources to form what was formerly named the Union Surety & Insurance Corp.

- On July 14, 1931 the company was established amidst the great economic depression.
- Barely a month after its incorporation, the Board of Directors unanimously approved the change of corporate name to Visayan Surety & Insurance Corporation, thus earning the distinction of an insurance company owned by Visayan incorporators yet serving the Filipino insuring public. Manuel Gotianuy, the founder and patriarch of the family corporation was Honorary Chinese Consul in Cebu and elected President of the illustrious Chinese Chamber of Commerce, a distinction replicated by Atty. Augusto W. Go of the second generation who was Honorary Consul to Korea and the latter's daughter also the Honorary Consul to Norway.
- Of the three Chinese non-life insurance firms (Yek Tong Lin, China Insurance & Surety Co. & VSIC) that were established during the Great Depression, it is only the Visayan Surety & Insurance Corp. that has survived the economic cycle of Boom & Bust.
- After 9 decades of corporate life, Visayan Surety & Insurance Corp. has become a trusted name in the insurance industry transforming itself from an entrepreneurial venture to a corporate entity under 3 generations of the founding family.

Today, after 90 years in the business, direct descendants of the founders remain the major stockholders of VISAYAN SURETY & INSURANCE CORPORATION prominently led by its Chairman of the Board, Atty. Augusto W. Go, majority stockholder and who also sits as President of University of Cebu, the largest university in the Philippines in terms of population growing at 55,000 students. Under the leadership of the 3rd generation of the Gotianuy family, the company continues to uphold its untarnished reputation of honoring commitments to policyholders, business partners and the insuring public, prudence in its management style, and an unbroken line of financial strength, stability and security.
